Minutes and treasury

May 2022 minutes were summarized. **Minutes approved.**

May 2022 and June 2022 treasury reports were summarized. **Both treasury reports approved.**

Coordinator reports

Nancy presented a literature report through July 25th, including inventory. Our vision is to increase our literature service to fulfillment of an average of 1.5 literature requests per day in 2022. Our average is 1.24 requests per day through July 25th.

Quick review of our June 16th and July 24th newsletters. Everyone was pleased with results and member articles. Nancy will write the back-page article for August, and Bob will write the articles for the first and second pages. We need volunteers to write articles for September. Thank you!

Our new PSA (Public Service Announcement) for 2022, with an emphasis on the difficulty of saving for taxes “and other obligations,” was launched on March 7th. Woo-hoo! Although the results are different than those we experienced in 2021, we are happy with our progress.

Quick review of our current and upcoming hosted recovery events, including progress discussion for our current conference series — DA and BDA Visioning Conference scheduled for July and August 2022 is going well, better than expected. Our next BDA Business Planning Conference is scheduled for in September, October, and November 2022. We are planning to host each of these events only once in 2023. We’re in early planning for a Spring 2023 BDA Business Conference with an emphasis on income generation and running our businesses using the BDA Tools.

Old business

1. How do we get more members and newcomers engaged with and invited to our various recovery events and conferences and into our growing online BDA community?
2. We have a new web page at <https://www.helpfordebtors.org/active-group-conscience-decisions>, which needs to be reviewed and approved. **We have approved all entries through April 2022.**

New business

1. Developing ideas for carrying the message and reaching our fellow debtors, especially business debtors and still-suffering debtors, inside and outside of the DA and BDA fellowship.
